

EduVision_DV: Dashboard Storyboard

Higher Education Performance Dashboard Suite Wireframe

Project Architecture & Scope:

- Datasets: QS World University Rankings & Times Higher Education (THE).
- Core Suite: 4 Interconnected Dashboards (Overview, Research, Student, Country).

Global Interactivity Framework:

- Header Navigation Bar: Switches between Overview, Research, Student, and Country views.
- Global Top Filters: Year (2016-2026), Region, Country, Subject Area.
- Cross-Filtering Actions: Selecting a university or country updates all charts dynamically.
- Key Performance Indicators: Global Ranking Score, Research Impact, Faculty Ratio, Intl Students %.

Dashboard 1: University Overview

■ Top KPI Strip

Details: Top Global Rank (#1), Total Universities (1,503), Avg Score (72.6), Intl Student % (28.7%), Faculty Ratio (1:17.3), Publications

■ Main Left: Top 10 Universities

Details: Horizontal Bar Chart ordered by Global Ranking Score

■ Main Center: Score Trend

Details: Line chart displaying overall score trends across recent years

■ Main Right: Regional Distribution

Details: Donut chart showing university distribution across North America, Europe, Asia, Oceania, South America

■ Bottom Left: Publications Leaderboard

Details: Bar chart of top publishing institutions

■ Bottom Center: International Student Map

Details: Geographic map shaded by international student density

■ Bottom Right: Faculty-to-Student Benchmarks

Details: Bar chart comparing faculty ratios across regions

Dashboard 2: Research Analytics

■ Top KPI Strip

Details: Avg Citations per Faculty, Total Publications, Research Impact Index

■ Main Left: Research Productivity vs Impact

Details: Scatter plot (X: Research Productivity Index, Y: Research Impact Score)

■ Main Right: Top Research Institutions

Details: Horizontal bar chart ranking top universities by citation volume

■ Bottom Left: Academic Reputation Analysis

Details: Bar chart comparing QS Academic Reputation scores

■ Bottom Right: Institutional Research Network

Details: Regional network map displaying global research collaboration intensity

Dashboard 3: Student Analytics

■ Top KPI Strip

Details: Avg International Student %, Avg Faculty-to-Student Ratio, Gender Diversity Index

■ Main Left: International Student % by Region

Details: Geographic map and bar breakdown across global regions

■ Main Right: Faculty-to-Student Ratio Comparison

Details: Sorted vertical bar chart comparing staff density per student

■ Bottom Left: Student Diversity Trends

Details: Historical line graph tracking international student enrollment percentages

■ Bottom Right: Institutional Enrollment Breakdown

Details: Data table listing student count and ratio benchmarks by university

Dashboard 4: Country Comparison

■ Top KPI Strip

Details: Total Countries Analyzed, Top Ranked Country, Regional Education Leader

■ Main Left: Country Ranking Matrix

Details: Bar chart comparing Average Global Ranking Scores by country

■ Main Right: Regional Education Benchmarks

Details: Box plot and comparison matrix across global geographic zones

■ Bottom Left: Multi-KPI Performance Heatmap

Details: Heatmap matrix comparing top 20 countries across all 6 core KPIs

■ Bottom Right: Top Universities per Selected Country

Details: Dynamic list showing top institutions within the filtered country
